

OUR MOBILITY IN AUSTRIA (VIENNA)

S.M.A.R.T.- Sharing memorable adventures and rich traditions

SATURDAY

On Saturday we arrived in Vienna, our destination for the next 7 days. After settling into our hotel we set off sightseeing. Since we were tired, we just took a little walk and went to eat. The rest of the day we rested and went to sleep.

SUNDAY

On Sunday morning we set off on a detailed tour of the city. We visited the Vienna Cathedral, the Karlskirche, the Belvedere Castle, Maria Hilfer Street, the Museum of Natural History Vienna, took pictures in front of the Croatian Embassy and many other sights of Vienna.

MONDAY

Our work week started on Monday, after we met our colleagues from Austria, Spain, Turkey, France and Italy. Each team presented their country in the form of a presentation or video about the many attractions and sights of each. During the break we all went to lunch together and in the afternoon we started working on our E-book composed of international teams.

TUESDAY

On Tuesday we continued to make our E-book, we toured the city a bit more, took pictures, drank coffee and enjoyed ourselves

WEDNESDAY

On Wednesday we went to a workshop where we learned to dance the Viennese Waltz. It was very interesting because none of us had tried it before, so it was very funny. The rest of the day we had free time to buy souvenirs.

THURSDAY

On Thursday morning we completed our E-book and after that each team showed their own. This was followed by the awarding of certificates and after that we all went to lunch together where we tried some traditional dishes. In the afternoon we went to the Prater amusement park, which we especially liked.

FRIDAY

Our last day, Friday, we spent getting to know the history of Vienna. We had one witty guide who told us about the history of the city and after that we went to the museum "Time travel". We visited the castle Schönbrunn and after that we had the last few hours free to enjoy a little more in beautiful Vienna.

SATURDAY

On Saturday we left home early in the morning and in the afternoon we arrived on our small island of Brac and so we end another in a row, our adventure from Vienna.
